- d. Student vs Faculty PBIS Activity. Student Council's activities in between were fun.
- e. Cindy wonders if moving the PBIS Activity to another time during the day to reduce the number of students who get checked out. She wishes there was a little more buy-in support for this motivator. Eric and Cindy acknowledged that they let too much time lapse between events.

VI. Principals report

- a. Walk Out. Over 600 students chose to walk out. The rain started during the event and so some students got a little antsy. Cindy had done an all-call announcement in the morning to establish the purpose for the event without any political discussion.
